How to Design and Conduct a Charrette

Planning for Science: Concepts, Issues, and Approaches

The ADA/504 Survival Kit (or Learning from Survivors of ADA/504 Investigations)

Sunday July 19, 8:30 AM-12:00 PM

Major Capital Projects for Non-Architects

Linking Theory and Practice: Shaping Spaces for 21st Century Learners

Monday July 20, 10:00 AM-11:00 AM

Creating a New Future-For a Country

Creative Financing for a Town and Gown Partnership

Integrating Bicycle Transportation Into Your Green Campus Plan

Collaborative Design - Tools & Techniques for Meaningful User Input

Designing a Place for 21st Century Engineering: The WSU College of Engineering and Architecture Precinct Plan

The Future Now - How is BSU's Interactive Learning Center Working?

The Measurable Impact of Vision Statements

Student Housing Markets: Analysis Precedes Design

Sustaining Small Colleges: Using Models in an Integrated Planning Process

Building the Plane in the Air: Changing a Campus Culture While Integrating Vision, Budget and Program Review

Princeton After the Plan: Challenges, Successes, and Lessons of Implementation One Year Later

Monday July 20, 1:15 PM-2:15 PM

New Generation Learning Environments for the Health Sciences

A Collaborative Strategy for Optimizing Learning Environments

Cloud Computing: Will It Rain or Shine on Campus IT?

Make Your College Campus More Comfortable by Applying Urban Design Principles

Great Facilities and Cost Planning: Finding the Tipping Point

Presentation by the 2009 SCUP Founders (Casey) Award Winner: Planning is a Team Sport

The College Funding Crisis: Five Ways Planning Can Help

Flexible Planning: Rethinking the Past for a Better Future at SPSCC

Imagining Innovative Academic Programs: From Faculty Development to Curricular Innovation

Integrated Planning, a Must in the Time of Economic Uncertainty

Monday July 20, 2:30 PM-4:00 PM

Using Performance Measurement and Benchmarking to Create a "System's Approach to Facilities Stewardship"

The Integrated Campus Master Plan: A New Paradigm?

Reinvigorating the University Library - Incorporating the Learning Commons/Student Success Center Concept

The Evolving Academic Workplace: Efficient, Effective and Supportive

In Search of Shared Leadership for a Green, Global, and Google World

New Learning Spaces: Knowing What Works

Coffee Cart or Cafe? Campus Center Decisions for Every Institution

3D Coordination-A New Collaboration Between Owners, Designers and Constructors

SCUP Excellence in Planning, SCUP Excellence in Landscape Architecture, and SCUP/AIA-CAE Excellence in Architecture Awards

Envisioning Our Values: Building an Environmental Stewardship Program

Promoting Institutional Progress: Integrating Priorities and Processes Through Strategic Planning

Tuesday July 21, 8:30 AM-10:00 AM

Creating Sustainable Innovation Capacities

From Katrina to Cross Creek: The Renaissance of the University of Southern Mississippi Gulf Coast

Kids are Changing. Technology is Changing. Are You Ready?: Optimizing Learning Environments

Joint-Use Facilities: Aligning Values and Visions Toward a Collaborative Higher Desired Outcome

Do-It-Yourself Campus Planning: Effective Toolkits for Campus Facilities Planners

Growing from Building-Centric to Campus-Wide: USGBC's New Portfolio Program

Planning for the New Learning Landscape: Findings From Research and Case Studies Here and Abroad

A Campus Heritage Plan for a Reinvented Campus

Tuesday July 21, 10:30 AM-11:30 AM

Optimizing Energy, Environment, Experiential Learning

Strategies for Energy-Use Reduction: Kelley Engineering Center

Interdisciplinary Facilities: A Programming Primer

Creating the Future Through Plan Implementation

Towards Sustainable Higher Education: From Living Buildings to Living Campuses

Presentation by the 2009 Excellence in Institutional Innovation and Integration: "Unleashing Innovation the Power of a Strategic Plan"

Values & Vision: The Future of Young Harris College

Tuesday July 21, 1:00 PM-2:00 PM

The Vincentian Institute for Social Action: A Strategic Model for Academic and Social Engagement with Impact

Preservation & Progress: University of Pennsylvania's Historic Music Building Project

New Behavioral Post-Occupancy Research Identifies Genuinely Effective Learning Environments

Strategic and Master Planning Integration to Create Campus Learning Environments
Integrated Planning: Streamlining Success

Tuesday July 21, 2:15 PM-3:15 PM

Solving a Fiscal Crisis Through Cooperation
Vision to Lead: Edmonton Clinic North
Pre-Planning and Budgeting for High Tech University Buildings
Celebrating the Cultural Landscape Heritage of Mills College
Planning and Leading in Globalized Higher Education
Public-Private Partnership in Strategic Planning
Campus Sustainable Master Planning
Sustaining a Residence Hall at Harvard Business School

Wednesday July 22, 8:30 AM-9:30 AM

A Model for Successful Management of Public-Private Projects in Today's Economic Climate
Learning Studios: Case Studies of Colleges Reinventing the Learning Space
Two Views of Strategic Planning: Top-Down and Bottom-Up
Including a "Sustainable Framework Plan" in Your Campus Plan

Wednesday July 22, 9:45 AM-10:45 AM

Maintaining Sustainability Initiatives in Tough Economic Times
Integrating Self-Study and Strategic Planning Processes: Lessons Learned
Transforming the City: University Development as an Agent of Urban Change
Achieving Sustainable Campus Buildings Through an Integrated Design Process
"Modernizing" Modern Architecture of the 1960s and 1970s
